- Adult Level IV \$3,150

## 2017 Fee Schedule (continued)

### Site Survey Fee – Payable January 31, 2017.

New Applicants or One-Year Centers:

- Adult or Pediatric Level I or II \$19,845
- Adult Level III \$13,230
- Adult Level IV \$ 8,820

Accredited Trauma Center:

- Adult (Level I, II or III) or Pediatrics (Level I or II) \$13,230
- Adult Level IV \$ 8,820

Consultative Visit:

- Reference Policy AC-119 for details \$4,410/surveyor

**NOTES:**

- *Site survey fee is based on the number of required surveyors. A hospital may elect to have additional site surveyors join a team for an additional cost. Please speak to the Director of Accreditation for additional details if applicable.  
Reference: Policy AC-119: Surveyor Selection Criteria for additional survey team details.*
- *For all new applicants, half of the site survey or consultative visit fee must be paid by July 1<sup>st</sup> of the year prior to your anticipated survey/consultative visit date, and should accompany the letter of request for the visit.  
Reference: Policy No. AC-130 Process for Becoming a New Trauma Center*
- *For all applicants who have completed a consultative visit and elect to advance to a full site survey, the site survey fee is due January 31<sup>st</sup>.*
- *Critical Access Hospitals undergoing consultative visits or site surveys may have the opportunity to have fees waived or discounted due to grant funding being provided to PTSF by the Medicare Rural Hospital Flexibility Grant Program administered through the Pa Office of Rural Health. Please contact the PTSF Executive Director for more details.*
- *Participation in the Total Quality Improvement Program (TQIP) is required for accredited Level 1-3 Trauma Centers. TQIP information (including fees) is available on the ACS website.*
