

PERFORMANCE IMPROVEMENT UPDATE

PIPS, Outcomes and the PA-TQIP Collaborative—working together

The following communication highlights what's happening with Performance Improvement & the PA Collaborative. If you have questions, please contact Theresa "Terry" Snavely, RN, BSN—Performance Improvement Specialist at tsnavely@ptsf.org

JUST RUN THE NUMBERS

The PTSF Board of Directors voted that all applicable trauma centers in the Commonwealth will participate in the state collaborative (ACS limits this to level 1 & 2 trauma centers)

- PA Collaborative Status: 15 trauma centers completed enrollment, to date. 11 trauma centers made the July deadline to be included in the Fall Report
- PA Trauma Centers Enrolled in TQIP: 20 trauma centers (two pediatric centers; two combined adult/pediatric centers). Seven trauma centers are in the "process of enrollment"
- FIRST PA Collaborative Report will be released September 30, 2016
